

Dear students,

Hope all of you are following the instructions given by the Govt. and staying at Home. I also request to all of you to STAY AT HOME, BE SAFE AND Utilise this time in a joyful learning.

Here are the list of some Apps. which you can utilize for your e-learning. and it will help you in solving your weekly assignments.

- 1. E-Pathshala**
- 2. NCERT Philoid**

These are easy and handy in App form. Now here are the steps to download and use it.

1. E-Pathshala

Steps to download-

1. open play store in mobile and type E-pathshala.
2. click to download and install it.
3. Allow the app and select language(English)
4. Select students group
5. Select your class and language and click ok.
6. Select E-books then choose any one subject
7. click on the chapters and then click download.
8. now you will be able to view, Read the content of any subject and any chapter.

2. NCERT Philoid

Steps to download-

1. Open play store and type in caps lock NCERT PHILOID
2. click to download and install it.
3. After installation open the app
4. select class and subject
5. select chapters here you will find option to see the video or to view the chapter.
6. Select video and you can view the videos of related topics.
7. else select view the chapter , download and read it.

These two Apps are very interesting apps and easy to use. So utilize your time in E-learning.

Thanking You
