Dear Parents / Guardians / Students,

- ✚ During these unforeseen and difficult situations, NTPC Head Office has taken special initiative through Yardstick Educational Initiatives the “YSKOOL”. Yskool has great courses that are delivered virtually for free to the students of NDA Barh besides children across the world. These courses/ workshops are stay-at-home educational activities for the age group of 3 – 18 (Grades: Nursery to XII).

What is in Yskool?

- ✚ The courses will be delivered by passionate, capable, and knowledgeable individuals from different walks of life.
- ✚ These courses are designed to engage, inspire, and build new capacities for children & ensuring a holistic learning environment for all kids.
- ✚ The topics range from creative writing, storytelling, yoga, science, math, arts and crafts, photography, robotics, dance & music, spoken English, hands-on-projects, vegan cooking, entrepreneurship, journalism, fitness, finance, AI, coding, foreign languages, music, etc. A detailed list of courses can easily be found at <https://yskool.com/>
- ✚ There are unlimited number of Novice courses and one Mastery Course (with certificate) absolutely FREE.

Dear students, take the utmost advantage of the platform and be creative. Some are one time classes, others are on-going. It's flexible and offered free of cost during these challenging times.

Refer to the sheet given below is the list of Username & password and an attached program presentation for more details. The tutorial video can be accessed by click [help](#).
